This phenomenal female is adding horn by the day, she was over 84" TTT 4 days before her 3rd birthday. She is bred to M.C Hangin Tuff for her next calf and the cross should be magic. Formal Birdy combines proven twist and horn genetics, with the right amount of Butler breeding to be the perfect out-cross female for any program. Thank you Randy Murry for the opportunity to own this amazing animal, we are very grateful !!!
