

## SEL LENSY REB'S BEAUTY

**Date of Birth:** 03/30/2024  
**Registration 1:** CI351066  
**Breeder:** EITAN & SANDY BARHUM  
**Owner:** EITAN & SANDY BARHUM

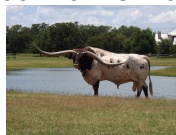

This heifer's body is what we want to produce on every heifer we breed, she is well made with DEEP body and PERFECT conformation, has color, and genetics to build a program around, just look at the pedigree lineup to see why we like her so much! So excited about watching her grow and have big plans for her. Love this girl!
